

Twist Bioscience Announces Proposed Public Offering of \$250.0 Million of Common Stock

August 4, 2026

SOUTH SAN FRANCISCO, Calif.--(BUSINESS WIRE)--Aug. 4, 2026-- Twist Bioscience Corporation (Nasdaq: TWST) ("Twist"), a mid-cap growth and value biotech company, today announced the commencement of an underwritten public offering of \$250.0 million of shares of its common stock. In addition, Twist intends to grant the underwriters a 30-day option to purchase up to an additional \$37.5 million of shares of its common stock. All of the shares of common stock to be sold in the proposed offering are being offered by Twist. The proposed offering is subject to market and other conditions, and there can be no assurance as to whether or when the proposed offering may be completed, or as to the actual size or terms of the proposed offering.

Twist intends to use the net proceeds from the proposed offering, together with its existing cash, cash equivalents and marketable securities, to fund research and development investments, expansion of manufacturing capacity, product offerings and the remainder for working capital and other general corporate purposes.

Goldman Sachs & Co. LLC, William Blair, Leerink Partners and Guggenheim Securities are acting as joint book-running managers for the proposed offering.

The securities described above are being offered by Twist pursuant to an automatic shelf registration statement on Form S-3 that was filed with the U.S. Securities and Exchange Commission (the "SEC") on June 18, 2026 and became effective upon filing. Electronic copies of the preliminary prospectus supplement and accompanying prospectus will also be available on the website of the SEC at <http://www.sec.gov>.
