

Twist Bioscience Announces Proposed Public Offering of Common Stock

December 1, 2020

SOUTH SAN FRANCISCO, Calif.--(BUSINESS WIRE)--Dec. 1, 2020-- Twist Bioscience Corporation (NASDAQ: TWST), a company enabling customers to succeed through its offering of high-quality synthetic DNA using its silicon platform, today announced that it intends to offer and sell in an underwritten public offering up to \$250 million of shares of its common stock and certain selling stockholders intend to offer 75,000 shares in the offering. In addition, Twist intends to grant the underwriters a 30-day option to purchase up to \$37.5 million of shares of its common stock offered by it in the public offering. The offering is subject to market and other conditions, and there can be no assurance as to whether or when the offering may be completed, or as to the actual size or terms of the offering. Twist will not receive any proceeds from the sale of shares in the offering by the selling stockholders.

Twist intends to use the net proceeds of the shares offered by it, along with its existing cash, cash equivalents and short-term investments to increase its operational capacity, tooling, and scaling an additional manufacturing location to support its growth in NGS, synbio, DNA prep, its pharmaceutical biologics antibody platform and IGG products; increase its investment in automation and research and development, which includes investing in NGS, synbio, its pharmaceutical biologics antibody platform, and in DNA data storage; increase its investment in its commercial organization and its IT infrastructure; and for the remainder to fund working capital and general corporate purposes. Twist may also use a portion of the net proceeds to in-license, acquire or invest in complementary businesses or products.

J.P. Morgan Securities LLC, Goldman Sachs & Co. LLC, Cowen and Company, LLC and Evercore Group L.L.C. are acting as joint book-running managers. Robert W. Baird & Co. Incorporated is acting as lead manager.

Legal Notice Regarding Forward-Looking Statements

This press release contains forward-looking statements. All statements other than statements of historical facts contained herein, including without limitation statements regarding the offer and sale of shares, the terms of the offering and expected use of proceeds to be received by it in the offering are forward-looking statements reflecting the current beliefs and expectations of management made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements involve known and unknown risks, uncertainties, and other important factors that may cause Twist Bioscience's actual results, performance, or achievements to be materially different from any future results, performance, or achievements expressed or implied by the forward-looking statements. Such risks and uncertainties include, among others, the risks and uncertainties set forth in Twist Bioscience's Annual Report on Form 10-K filed with the Securities and Exchange Commission on November 27, 2020, the preliminary prospectus supplement related to the proposed public offering and subsequent filings with the SEC. Any of these risks and uncertainties could materially and adversely affect Twist Bioscience's results of operations, which would, in turn, have a significant and adverse impact on Twist Bioscience's stock price. Any forward-looking statements contained in this press release speak only as of the date hereof, and Twist Bioscience specifically disclaims any obligation to update any forward-looking statement, whether as a result of new information, future events or otherwise.
