Explanation of Responses:

1. Represents the number of shares required to be sold by the Reporting Person to cover tax withholding obligations in connection with the vesting of Performance Stock Units ("PSUs"). These sales are mandated by the Issuer's election under its equity incentive plans to require the satisfaction of a tax withholding obligation to be funded by a "sell to cover" transaction and do not represent discretionary trades by the Reporting Person.

Remarks:

The transactions and holdings reported on this amended filing were previously reported on the Form 4 filed by the reporting person on November 8, 2024 and have been included in this amendment for reference only. This amended filing is being made solely to amend footnote 1.
